0004755978  
Transparent services access facility interconnection method - using  
bi-directional interface with commands received by collection  
mapped and  
converted to verb and associated protocol

Original Titles:

Vorrichtung und Verfahren zur Verbindung von einer Anwendung einer  
Zugriffseinrichtung fuer transparente Dienste mit einer entfernt  
aufgestellten Quelle  
Apparatus and method for interconnecting an application of a transparent  
services access facility to a remote source  
Appareil et methode pour l'interconnexion d'une application d'un dispositif  
d'accès a des services transparents avec une source a distance  
Vorrichtung und Verfahren zur Verbindung von einer Anwendung einer

(US Supreme Court agrees to review appellate ct decision that  
overturned  
convictions of 4 major gypsum cos and 3 execs charged with price  
fixing.  
Solicitor Gen Wade McCree argued that lower ct ruling threatened  
to make  
future Justice Dept antitrust prosecutions more difficult. US Gypsum  
Co,  
Natl Gypsum Co, Georgia Pacific Corp and Celotex Corp had been  
found  
guilty of price fixing in violation of Sherman Antitrust Act but that  
conviction was overturned on appeal. Defendants had argued that  
they did  
exchange price information via telephone conversations but only to  
avoid being charged with breaking Robinson-Patman Act which  
prohibits  
cos from showing favoritism among purchasers by offering lower  
prices.  
Appeals Ct ruled that trial judge should have informed jurors that  
swapping price information was legal if intended to avoid charges  
of  
price discrimination. In another case, Supreme Ct refused to set aside  
Kansas Supreme Ct ruling over natural gas royalties involving Mobil  
Corp  
(S).
